

Special Application Crisis Committees

Welcome to the Application for the crisis committees at HACIA 2022! Before submitting your application to be a delegate in the Crisis Cabinet, please read the descriptions of the cabinet committees available on the HACIA Democracy website.

In the tradition of HACIA crisis cabinets, these committees will be a fast paced and an unpredictable experience mimicking the chaos and uncertainty of executive governance in times of crisis. We recommend only the most experienced delegates participate in these committees. The committee will be tasked with the comprehensive task of governing, including both domestic policy and foreign relations. Many of you will make life-and-death decisions under pressure, the various advisors and ministers will be confronted with rampant espionage, betrayal, intrigue, infighting, murky information, sabotage, political maneuvering, and likely even violence and murder.

If you have any questions about the committee or the application, please e-mail Director of English Committees, Juan Venacio at english_committees@hacia-democracy.org.
